

BAND LETTER JACKET

650 points are required to letter. Bars are issued for and additional 200 points. Breakdown of point system is available in the band handbook located in the Titan File tab of the band website.

Letter jackets can be ordered from TEAM OUTFITTERS owned and operated by Mary Jones in Crestline. Her address and contact information are below.

Things Mary says:

- Call her for an appointment on either number—if she doesn't answer leave a message
- Bring your "Letter" with you to your appointment or any other patches you have that need to be sewed onto the jacket.
- Bars can be sewed on as opposed to the metal ones that fall off
- Additional bars can be added each year—just call for an appointment to drop your jacket off
- Allow 6—8 weeks for complete delivery of your jacket.
 - Get this done now or early June in order to have your jacket for next fall.
