

6TH GRADE BEGINNING BAND SUPPLIES LIST

Students are required to rent and/or purchase a band instrument from a local music store. Saied Music Company, Tulsa, OK services USD 493. Instruments can be rented through Saied by contacting Mick Meadors at 1-800-777-5541. A representative from this company is on the CUHS & Central Campus one day a week.

ATTENTION—Please note instruments should be purchased at a Music Store with a reputable repair department. Instruments that are purchased on-line (ebay), Hastings Book Store, Penny's Catalog, Sam's Club, etc. are not quality instruments and the area music stores will not service these instruments. They are not made to quality specifications and make it impossible for your student to succeed. If in doubt contact Mrs. Phillips for council concerning brands. Some good brands in all instruments are: Bundy, Yamaha, Buffet, LeBlanc, Vito, Selmer, Conn, Jupiter, Yangaisawa, Cannonball, Artley, Gemienhardt, Bach, Holton, Getzen
